In re Application of	:	
John Walker	:	
Application No. 09/857,797	:	DECISION ON PETITION
Filed: June 11, 2001	:	
Attorney Docket No.	:	

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed December 21, 2007, to revive the above-identified application.

There is no indication that the person signing the petition was ever given a power of attorney to prosecute the application. If the person signing the petition desires to receive future correspondence regarding this application, the appropriate power of attorney document must be submitted. While a courtesy copy of this decision is being mailed to the person signing the petition, all future correspondence will be directed to the address currently of record until appropriate instructions are received.

The petition is **GRANTED**.

The application became abandoned for failure to reply in a timely manner to the non-compliant Office action mailed, June 2, 2006, which set a shortened statutory period for reply of one (1) month. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned on July 3, 2006.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an amendment, (2) the petition fee of \$1540, and (3) an adequate statement of unintentional delay<sup>1</sup>.

<sup>1</sup> It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

It is noted that on May 9, 2008 a Request to Withdraw as attorney of record was filed. On May 20, 2008, the Request to Withdraw was mistakenly processed as a revocation and power of attorney. Consequently, the power of attorney to Pfizer Inc. was accepted and the correspondence address changed accordingly. Thus, to correct Office records, the Request to Withdraw has been properly treated.

Telephone inquiries concerning this decision should be directed to undersigned at (571) 272-1642.

This application is being referred to Technology Center AU 1644 for appropriate action by the Examiner in the normal course of business on the reply received December 21, 2007.

In re Application of	:	
John Walker	:	
Application No. 09/857,797	:	DECISION ON PETITION
Filed: September 13, 2001	:	TO WITHDRAW
Attorney Docket No. 017227-0175	:	FROM RECORD
	:	

This is a decision on the Request to Withdraw as attorney or agent of record under 37 C.F.R. § 1.36(b), filed May 9, 2008.

The request is **APPROVED**.

A grantable request to withdraw as attorney/agent of record must be signed by every attorney/agent seeking to withdraw or contain a clear indication that one attorney is signing on behalf of another/others. A request to withdraw will not be approved unless at least 30 (thirty) days would remain between the date of approval and the later of the expiration date of a time to file a response or the expiration date of the maximum time period which can be extended under 37 C.F.R. § 1.136(a).

The request was signed by Beth Burrous on behalf of all attorneys of record who are associated with customer No. 22428.

All attorneys/agents associated with the Customer Number 22428 have been withdrawn.

Applicant is reminded that there is no attorney of record at this time.

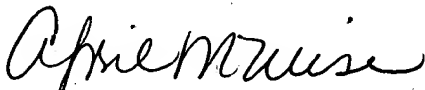

The request to change the correspondence of record is not acceptable as the requested correspondence address is not that of: (1) the first named signing inventor; or (2) an intervening assignee of the entire interest under 37 C.F.R. 3.71. All future communications from the Office will be directed to the first named signing inventor at the first copied address below until otherwise properly notified by the applicant.

In order to request or take action in a patent matter, the assignee must establish its ownership of the patent to the satisfaction of the Director. In this regard, a Statement under 37 CFR 3.73(b) must

have either: (i) documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment), and a statement affirming that the documentary evidence of the chain of title from the original owner to the assignee was or concurrently is being submitted for recordation pursuant to § 3.11; or (ii) a statement specifying where documentary evidence of a chain of title from the original owner to the assignee is recorded in the assignment records of the Office (e.g., reel and frame number).

The application became abandoned for failure to timely reply to the Notice of Non-compliant Amendment (37 CFR 1.121) mailed June 2, 2006.

Telephone inquiries concerning this decision should be directed to undersigned at 571-272-1642.
